About Us

Our factory located in Nanhai District, Foshan City, Guangdong Province, with convenient access only 35 minutes from Guangzhou Baiyun Airport, also very close to Canton fair. The company has 10,500 square meters and strong R & D department, a lot of advanced equipment, such as Wire cutting, Punching, Drilling, Tapping, Shearing, Bending, Welding and Polishing Machine, Robot Welding.

Our main products are Furniture leg, Table Leg, Hairpin Leg, Table frame, Furniture hardware, we have own brand "RheTech" for security products and "Wekis" for homeware products, we are also welcome OEM and ODM products. And our main market is North America, Europe, Middle East, South Asia, Oceania and domestic market.

For the past 10 years, all of our factories produce complimentary products allowing our customers to have a great diversity of supply through one organization. We offer a complete supply chain package from product development, design and procurement, to production process monitoring, quality control, bulk and private label packaging, pre-shipment inspection, logistics and delivery.

"Customer First" is our company priority value! You are welcome to visit our factory any time! And Let us work together and serve more consumers in global market!
